Henry Mancini - A 100th Birthday Blowout

Henry Mancini - A 100th Birthday Blowout is a 2-1/2-hour tribute to the big band music of Henry Mancini — one of the great jazz composers of his time. Audrey Hepburn herself called him the "hippest of cats and most sensitive of composers." This big band program gives everyone a chance to attend the wild party in Holly Golightly's New York apartment! This concert swings with one classic after another! Timber!
